

Chris Swane

Director

Chris is a Director of Bennett + Bennett and Registered Surveyor (Land QLD & NSW) with over twenty-five (25) years' experience.

Chris is a senior and high level survey, construction and project manager with various specialty survey skills.

Chris has taken a keen interest in the industry since being a young graduate and is passionate about the role in contributing spatial information to the community. He enjoys the friendships of likeminded people and has served the surveying industry in many roles since 2008. He currently serves on the SSSI National Land Surveying Commission, 3D QLD Tenure Reform Working Group, and is the Chair of SSSI QLD Land Surveying Commission.
