

Craig Wood

Director / Brisbane Office Manager

Craig is the Brisbane Office Manager and a Director of Bennett + Bennett with over twenty (20) years' experience. In his role he leads a team of surveyors and works for client and company success for development projects in and around the Brisbane metropolitan area.

His wide range of experience and current projects range from multi-storey mixed use developments to broad acre Greenfields land subdivisions. Craig's understanding of these areas helps him to focus on ensuring clients' needs are met in a timely and efficient manner.
