

Linda Tait

Senior Planner

Linda is a Senior Planner with over ten (10) years' Brisbane based town planning industry experience. Her role involves the provision of town planning services and advice including town planning due diligence analysis, the preparation and coordination of development applications, and engagement with cross disciplinary colleagues, clients and stakeholders to achieve timely and efficient outcomes.

QUALIFICATIONS + ACCREDITATIONS

Master of Urban and Regional Planning

Bachelor of Arts (Linguistics)

General Referee for the Building and Development Committees

BCC & LCC Risksmart Accredited Consultant

Registered Planner
Member of the Planning Institute of Australia

Linda's background in linguistics, particularly communication and semantics, complements her planning experience and contributes to her ability to apply detailed analysis of relevant planning documentation and undertake stakeholder engagement.
