

Craig Wood

Director / Regional Manager - Brisbane

Craig is the Brisbane Regional Manager and a Director of Bennett + Bennett with over twenty (20) years' experience. In his role he leads a team of surveyors and works for client and company success for development projects in and around the Brisbane metropolitan area.

QUALIFICATIONS

Bachelor of Surveying

Associate Diploma of Surveying

Registered Cadastral Surveyor, QLD

His wide range of experience and current projects range from multi-storey mixed use developments to broad acre Greenfields land subdivisions. Craig's understanding of these areas helps him to focus on ensuring clients' needs are met in a timely and efficient manner.
