

COMMONWEALTH GAMES

At Bennett + Bennett, we are incredibly proud of our Gold Coast heritage. It has enabled us to work with Australia's leading building and construction companies providing services for some of the city's most notable projects.

We have been evolving over nearly 50 years and are well regarded as a leader in the Surveying field. Starting in the late 1960's with small land subdivisions around the Gold Coast, we could only have imagined the potential and growth that would follow.

B+B ARE SPECIALISTS IN MAJOR CONSTRUCTION, INFRASTRUCTURE AND DEVELOPMENT PROJECTS.

Up-to-date equipment and best practice procedures enables our team to work seamlessly with other consultants. Coupled with previous Commonwealth Games site experience and local knowledge this gives us a heightened understanding of the project outcomes and the best way to achieve them.

- Multi-disciplinary company offering services in surveying, town planning, laser scanning, photogrammetry & titling.
- Brisbane & Gold Coast offices - well resourced & positioned to service all project sites.
- Locally established company, 50-year anniversary in 2018.
- Previous experience working on Commonwealth Games sites.
- Quality Assurance accredited (ISO 9001:2008)

Detail surveys and/or construction set-out, lease, cadastral boundary, aerial and as-constructed surveys have been provided for:

- Commonwealth Games Village - Parkwood
